Dear Joe and JVS Christmas
Lighting,

I am writing to thank you for all you have done for my family and to let you know how lucky our community is to have such a wonderful man and his company giving back to them. Last year, you expressed you would like to help out a local family and brighten up their holiday by decorating their home free of charge with Christmas lighting. I contacted you and told you about my parents and how it would mean so much to them since my father was ill and unable to decorate their home himself.

You quickly reached out to let me know it would be your pleasure to decorate their house to spread holiday cheer.

Crystal from the office helped make all the arrangements and was very nice. Your entire crew was friendly, courteous, hard working, neat, and professional as they installed the lighting.

My parents were in awe at how beautiful their house was decorated and very grateful. Everyone in their neighborhood remarked that their house looked so festive.

Just recently, Joe reached out to me to check on my parents' well-being and graciously offered to do it again this year. You've brought the Christmas spirit alive by giving back to your community and we can't thank you enough!

With sincere gratitude,
Kerry Adkins and Family
